Liabilities & Equity

- How would your formula change??

Liabilities & Equity

- How would your formula change??

= sum(of the credits) – sum(of the debits)

Create a T Account for:

- An asset.
- A Liability.
- The Capital Account.
- An expense.
- A revenue.

Work:

- Download and complete the 'Fashion Case' from the website.

Homework Check - 10:00

- Update your **ROI** chart (that you created already) with the updated prices of you stocks.
- When they are updated, I will come and check them.
